

BOL D'OR 2023

KM99 WRAPS UP ITS FIRST SEASON IN THE ENDURANCE WORLD CHAMPIONSHIP WITH A STRONG PERFORMANCE !

We successfully wrapped up our first year of participation in the Endurance World Championship by taking part in the prestigious 2023 Bol d'Or, the season's final 24-hour race. We displayed determination, skill, and resilience throughout the event to end the season on a positive note.

Qualifications for the 2023 Bol d'Or went smoothly. We secured an impressive sixth place on the starting grid, solidifying our position as the top private team on the grid. This performance aligned perfectly with our ambitious goals for this iconic race.

« THE FIRST TEN HOURS OF THE RACE SAW OUR TEAM MAINTAINING AN IMPRESSIVE PACE, BRAVELY BATTLING AMONG FACTORY TEAMS. »

We even had the opportunity to contend for fifth place, showcasing our competitiveness at the highest level of endurance motorcycle racing.

Unfortunately, a minor technical issue arose just before midnight. Although it was resolved in a mere 5 minutes of repairs, the extended return of the bike by the recovery services resulted in a delay of over 20 laps for our team. This setback pushed us down to the 27th position.

However, we demonstrated our determination by staging an impressive comeback throughout the night, reaching the 16th position after 18 hours of racing. Our mechanics exhibited exceptional professionalism in quickly and efficiently addressing a second minor technical issue and the collective crash caused by oil on the track.

« At the end of the race, we crossed the checkered flag in 17th place, a result that reflects our resilience in the face of unexpected challenges at the Bol d'Or. »

« THIS PERFORMANCE ALLOWED US TO CONCLUDE OUR FIRST SEASON IN THE FIM EWC WITH PRIDE. WE FINISH IN THE TOP 10 IN THE OVERALL STANDINGS, AN IMPRESSIVE ACHIEVEMENT CONSIDERING OUR STATUS AS NEWCOMERS TO THE CHAMPIONSHIP. »

We have proven time and again our ability to compete with established teams and have gained valuable experience that will be put to good use in the upcoming 2024 season.

We would like to express our gratitude to our sponsors, partners, and supporters for their continuous support throughout this exciting racing season. Starting today, we will work diligently to prepare for the 2024 season to continue our progress and achieve our goals.
